Mr. Charles A. Briggs
Chairman, Editorial Board
"Studies in Intelligence"

Dear Chuck:

As I depart from the Studies Board, I would like to express to you my appreciation for the privilege of serving on the Board and for the many enjoyable sessions with you and the other members. I believe the "Studies" is doing an excellent job in bringing to employees of the Agency a comprehensive presentation of the literature of intelligence. Thanks for letting me be a part of the effort.

I believe Phil Eckman will do a fine job in developing some articles on the scientific and technical aspects of intelligence which I think is an area to which "Studies" can give greater attention.

Let me know if I can help at any time.

Sincerely,

[Redacted]

Director
